## Finitura decorativa effetto cangiante per interni

Finitura decorativa a base acrilica, indicata per la realizzazione di particolari effetti decorativi in semitrasparenza, con sfumature cangianti e madre-perlacee su supporti all'interno non solo costituiti da intonaco ma anche su pannelli in legno e derivati, cartongesso, laminati.

L'effetto che si ottiene è una decorazione "ad impronta" con sfumature e si realizza con attrezzi tradizionali quali spatole, rulli, pomaccioli, spugne o con strumenti preparati dall'applicatore stesso purchè in grado di formare un'impronta ed una sfumatura.

Applicare su fondo preparato con DECORFOND 3880019.

Applicare in uno o più strati secondo l'effetto desiderato.

Il prodotto è pronto all'uso.

## Decorative finish for interiors

An acrylic-based decorative finish recommended for creation of special semi-transparent decorative effects with iridescent or mother-of-pearl hues on interior surfaces such as plaster, panels of wood or wood products, gesso board and laminates. The effect obtained is a "print" type decoration with blended hues, created using traditional utensils such as painting knives, rollers, pumice stone and sponges or using utensils prepared by the painter capable of forming a print and blending hues.

May be applied on surfaces previously painted with DECORFOND 3880019.

Apply one or more coats to obtain the desired effect.

The product is ready to use.

## Finition décorative pour intérieur

Finition décorative à base acrylique, indiquée pour la réalisation d'effets décoratifs semi-transparents avec des nuances changeantes et nacrées, sur des supports internes constitués d'enduit mais également sur des panneaux en bois et dérivés, placoplâtre, laminés.

L'effet obtenu est une décoration "à empreinte" nuancée et il s'effectue en utilisant des outils traditionnels tels que spatules, rouleaux, tampons, éponges ou des outils préparés par le peintre pouvant former une empreinte et des nuances.

Appliquer sur DECORFOND 3880019.

Appliquer une ou plusieurs couches selon l'effet désiré.

Le produit est prêt à l'emploi.

## ДЕКОРАТИВНО ИНТЕРИОРНО ФИНИШНО ПОКРИТИЕ ЗА ЕФЕКТ НА ПРЕЛИВАЩИ ПЕРЛИ

Декоративно покритие на акрилна основа, подходящо за реализирането на специфични полупрозрачни декоративни ефекти, в преливащи и перлени нюанси. Продуктът е предназначен за интериорно ползване и е подходящ за нанасяне както върху бои, така и мазилки, дървени повърхности и производни материали, гипскартон и ламинати.

Постигнатият ефект е декорация вид «отпечатък», с нюанси и се реализира с традиционни инструменти като шпатули, валеци, пемза, гъби или с поддръжни материали, които образуват отпечатък и нюанс.

Нанесете върху подготвената основа с DECORFOND 3880019.

Нанесете един или няколко слоя в зависимост от желания ефект.

Продуктът е готов за употреба.

Tampone, spugna, spatola in plastica, rullo.  
Pad, sponge, plastic painting knife, roller  
Тампон, еponge, spatule en plastique, rouleau  
Тампон, гъба, пластмасова шпатула, валеж
